

NATIONAL ENDOWMENT FOR THE HUMANITIES

WASHINGTON, D.C. 20506

Professor S. D. Goitein
Institute for Advanced Study

Dear Professor Goitein:

This will acknowledge receipt and acceptance of the two final reports on Endowment grant RO-32290-78-1298. The reduced level of cost-sharing shown in the financial report is acceptable.

We find the final narrative report to be a useful and informative account of the activities pursued during the grant period.

We would appreciate receiving two copies of any publications which result from research pursued during the grant period. I would also like to take the opportunity to remind you that all such publications must bear an acknowledgement of Endowment support. For your guidance, we suggest the following wording: "This work was made possible through the assistance of a research grant from the National Endowment for the Humanities."

You are cautioned that Endowment acceptance of the final financial report does not relieve the grantee of the obligation to retain fiscal records for possible Federal audit purposes.

We look forward to learning more about your work and wish you continued success in your endeavors.

Sincerely,

Marjorie A. Berlincourt
