Madman - Ben Yijr

(28)

Since with one exception  
all letters immediately from M  
were addressed to BY

TS 20.130

It seems that BY had come to Yemen in 1131  
or goods  
at least with money, either of his own or given to  
him, e.g. by Makkilif a. Misa.

Instead of going himself to India he ordered  
pepper from Madman. In Nov 1131/Nov 1132 this  
pepper had been <sup>brought</sup> for him. (Cf. Letters, p. 200, n. 22).  
29-10 in the year 4 Bahars brought  $\frac{56}{4} = 14$  dinars  
19-20 in the following year a Bahar brought 37 d.

Following, because this letter an example  
of "تلق" (Mad. Soc. I, p. 451, n. 81) <sup>as are</sup> the other  
examples.

It is not excluded that BY was a trainee  
of Madman. For he really gives him orders all  
the time. This implies that BY might have come to  
India some time before 1132<sup>x</sup>

It might be also that Mad. recognized BY's  
classical practical gift - planned to put him to  
good use for himself.

<sup>x</sup> I doubt this, however, because then we probably would  
have found some stray paper which could ascribe  
to be period before 1132.
