Dear Mr. Whiteman  
Dear Mr. Whiteman:  
Dear Mr. Whiteman:

Following our telephone conversation of yesterday I wish to inform you that I need photographs only for the following numbers:  
335; 394; 397, and from the glasses: 389 and 414.

The rest of numbers should be reproduced as photo s t a t s.

Kindly add to these the following numbers:

340. 350, 355, 385, 386, 388, 399.

I am writing now my book Mediterranean Society and I can say that "Philadelphia, Dropsie College" appears in it very frequently owing to the discovery and the kind services of Mr. Whiteman.

With the hope that the order will be carried out in not too distant a future and with many thanks in advance,

Sincerely yours,

S.D. Goitein.

Kindly send the material
